# Introduction

We are Healthwatch Bristol. We work to make sure health and care services are the best they can be for the people who use them.

We want to know if you think there are things that health and care services can do to improve.

Please answer these questions to tell us.

If you need advice or information about local services, we can help.

You can find out more about what we do on this website:  
<https://www.healthwatchbristol.co.uk/what-we-do>

# How we use your information

We will use the information you give us to spot things that could be better.

We might use the things you say in reports, but we will not use your name.

If you are giving us information for someone else, make sure you have asked them first and don't share any information that could identify them.

You can find out more about how we use your information on this website:
