

The Healthwatch Bristol Adult Social Care Project **Support to Access the Community**

What is support to access the community?

Independence

Wellbeing

Support to Access the Community helps people with independence and wellbeing.

Support may include:

Activities in the local community

Access to leisure, social and sports activities

Support to volunteer

Support with daily living.

**What do we want it to look like
in the future?**

**We want to make sure Support to Access
the Community services helping people
in the best way possible.**

**We want to support people to live
independently and be well.**

**A co-production group worked together
to make this easy-read document**
